December will be a month that Eta Mu members will be able to enjoy each other's company while putting together Jared Boxes and spending an evening going out to dinner and attending a holiday concert at Gallo Arts to celebrate the season.

These activities reflect purpose #1 of DKG, To unite women educators of the world in a genuine spiritual fellowship. One of the rewards of being a member of is the fellowship and support of other educators. I have enjoyed new friendships both within our chapter and in other chapters as a result of my membership in DKG. Many lovely ladies have supported me in a variety of ways, both professional and personal. They have been a blessing to me and have enriched my life.

you Eta Mu members for your fellowship. Have a Merry Christmas and a Blessed New Year.

Dress A Girl Around the World

Imagine a world where every girl owned at least one dress!

On Thursday, November 3, Eta Mu members gathered at Modesto Covenant Church in Modesto to make a dress for girls and women around the world. Seamstresses and non-sewers alike worked together to create simple dresses and dress kits.
