Crossing Bridges Together

(California Biennium Theme)

1. Judy Trask welcomed Linda Chrabas, Janice Freeman, Debbie Mar, Theresa Foote and Denise Nieto to the Zoom meeting at 6:00 PM.
2. Discussion Items:
  - a. December 8 Cookie Exchange. Due to Covid restrictions the cookie exchange will be changed to Saturday, December 5 from 2:00 to 4:00 PM so it can be held outdoors. Members will each bring three dozen of the same cookies and 15 copies of the recipe to the event. Each member will wear a mask and follow social distancing protocols. Cookies will be sorted and exchanged. Janice Freeman will provide hot chocolate and cups. Additional cookies will be packaged to be “doorbell ditched” on the doorsteps of reserve members and members whose physical or health restrictions prevent them from participating in chapter activities. Cards will be signed from Eta Mu and attached to the cookie bundle. Janice will also provide a list of reserve members. PS...bring tongs if you have them.
  - b. The January 13, 2021 Soup Supper and Speaker event may need to be held virtually. More discussion will happen as the date gets closer.
  - c. Since the October Fall Conference was cancelled this year, a brief discussion was held to start thinking of fund raiser ideas to benefit Area XVII. Judy suggested “donation plus”. The idea is members donate a gift card or other item of a specific value and others bid on the item (the value of the item “plus” and an additional amount). Keep thinking of ideas that may work.

Meeting was adjourned by Judy Trask at 7:00 PM.
